

Export Performance Monitor from 2012-2016 (January)

According to Actual Exports

15 February 2015

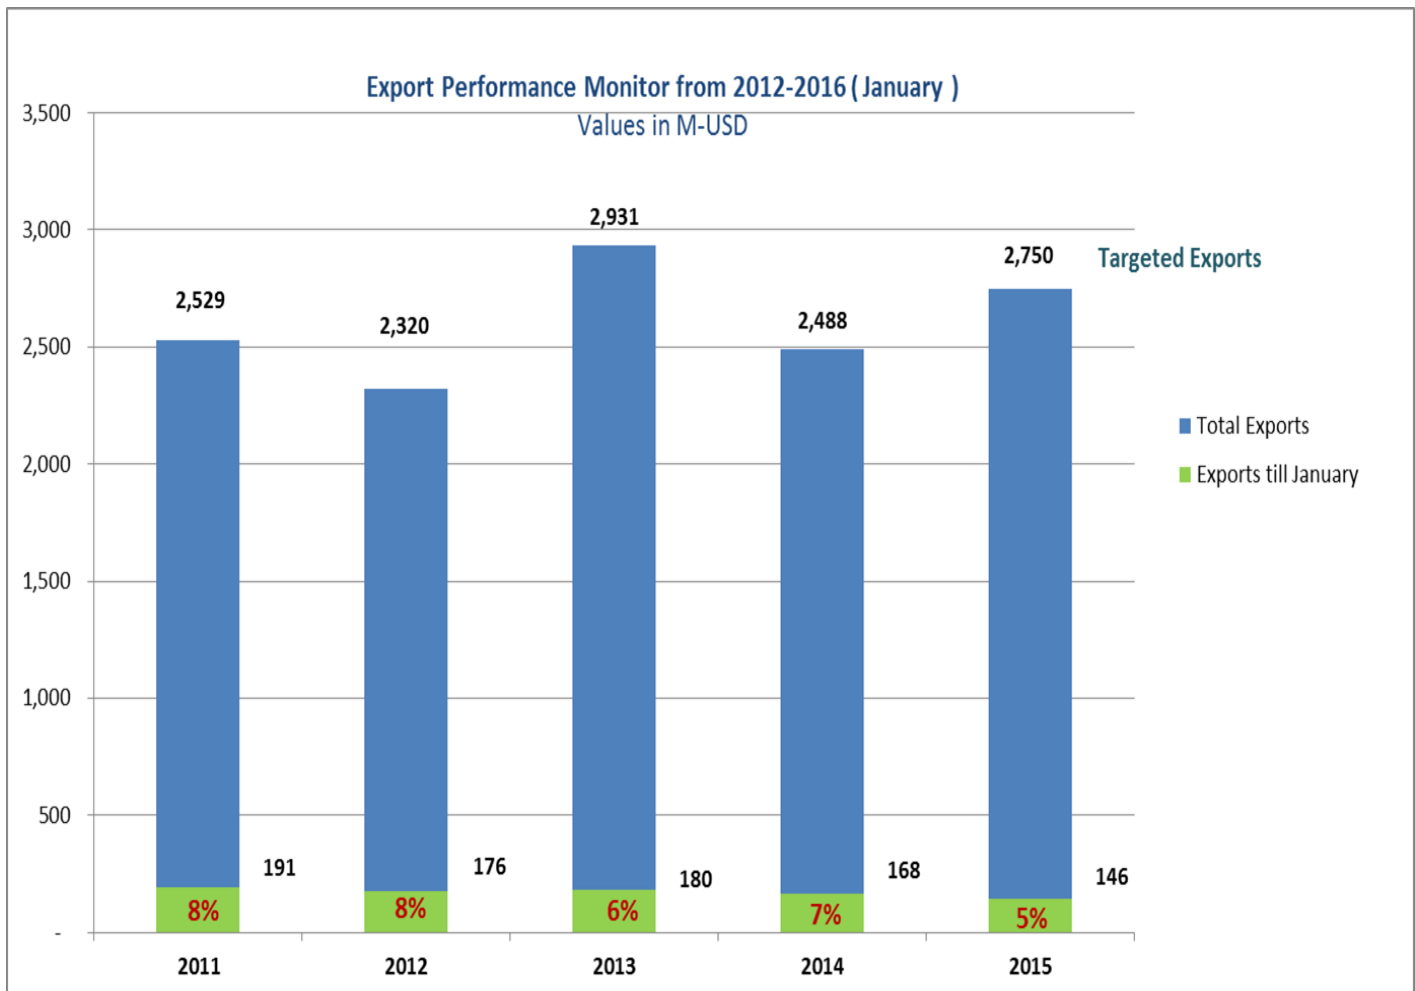

- The Compound Annual Growth rate for the Engineering Exports from 2010 – 2015 = 2.2% from 2.22 Billion \$ in 2010 to 2.48 Billion\$ in 2015.

Values in M-USD			
Year	Exports till January	Total Exports	Percentage
2012	191	2,529	8%
2013	176	2,320	8%
2014	180	2,931	6%
2015	168	2,488	7%
2016	146	2,750	5%

Engineering Exports reached 146 Million USD in 2016 which represent 5% of the target

Top Engineering Sectors that represent 91.2% till January 2015 : Car Components (30.5%), Brown Goods (26.8%), Cables (19.4%), Home Appliances (10.2%), Electrical & Electronic Industries (4.3%)
 - With a Total Value 133.3 Million USD

Top Countries represent (80.2%) from The Egyptian Engineering Exports 2015 till January : United Arab Emirates (17%), Saudi Arabia (14.7%), United Kingdom (13.7%), Qatar (7.2%), Algeria (5.6%), Germany (4.7%), Iraq (3.8%), France (3.5%), Sudan (3%), Jordan (2.7%), Spain (2.3%), Libya (1.9%),
 - With a Total Value 117.2 Million USD
